1.20 EQUAL OPPORTUNITY COMMITMENT

Pursuant to IC 4-13-16.5 and in accordance with 25 IAC 5, it has been determined that there is a reasonable expectation of minority and woman business enterprises subcontracting opportunities on a contract awarded under this RFS. Therefore a contract goal of 7 % for Minority Business Enterprises and 10 % for Woman Business Enterprises have been established and all respondents will be expected to comply with the regulation set forth in 25 IAC 5.

The Form must show that there are, participating in the proposed contract, Minority Business Enterprises (MBE) and Women Business Enterprises (WBE) listed in the Minority and Women's Business Enterprises Division (MWBED) directory of certified firms located at www.buyindiana.in.gov. Respondents must complete the Subcontractor Commitment Form in its entirety.

Failure to meet these goals will affect the evaluation of your Proposal. The Department reserves the right to verify all information included on the MWBE Subcontractor Commitment Form.

- Must provide goods or service only in the industry area for which it is certified as listed in the directory at www.buyindiana.in.gov

- National Corporate Diversity Plans are generally not acceptable

MINORITY & WOMEN'S BUSINESS ENTERPRISES RFS SUBCONTRACTOR LETTER OF COMMITMENT

A signed letter(s), on company letterhead, from the MBE and/or WBE must accompany the MWBE Subcontractor Commitment Form. Each letter shall state and will serve as acknowledgement from the MBE and/or WBE of its subcontract amount, a description of products and/or services to be provided on this project and approximate date the subcontractor will perform work on this contract. The State will deny evaluation points if

the letter(s) is not attached, not on company letterhead, not signed and/or does not reference and match the subcontract amount and the anticipated period that the Subcontractor will perform work for this solicitation.

By submission of the Proposal, the Respondent acknowledges and agrees to be bound by the regulatory processes involving the State's M/WBE Program. Questions involving the regulations governing the MWBE Subcontractor Commitment Form should be directed to: Minority and Women's Business Enterprises Division at (317) 232-3061 or mwbe@idoa.in.gov.

Respondents may register on-line at no cost to become a Bidder with the State of Indiana. To complete the on-line Bidder registration, go to <http://www.in.gov/idoa/register/>. The Bidder registration offers email notification of upcoming solicitation opportunities, corresponding to the Bidder's area(s) of interest, selected during the registration process. Completion of the Bidder registration will result in your name being added to the Bidder's Database, for email notification. The Bidder registration requires some general business information, an indication of the types of goods and services you can offer the State of Indiana, and locations(s) within the state that you can supply or service. There is no fee to be placed in Procurement Division's Bidder Database. To receive an award, you must be registered as a bidder.

Problems or questions concerning the registration process or the registration form can be e-mailed to Shirley Houston, Vendor Registration Coordinator, at shouston@idoa.state.in.us, or you may reach her by phone at (317) 232-6870.

Respondent personnel signing the Transmittal Letter of the proposal must be legally authorized by the organization to commit the organization contractually. This section shall contain proof of such authority. A copy of corporate bylaws or a corporate resolution adopted by the board of directors indicating this authority will fulfill this requirement.

2.3.9 Subcontractors

The Respondent is responsible for the performance of any obligations that may result from this RFS, and shall not be relieved by the non-performance of any subcontractor. Any Respondent's proposal must identify all subcontractors and describe the contractual relationship between the Respondent and each subcontractor. Either a copy of the executed subcontract or a letter of agreement over the official signature of the firms involved must accompany each proposal.

Any subcontracts entered into by the Respondent must be in compliance with all State statutes, and will be subject to the provisions thereof. For each portion of the proposed products or services to be provided by a subcontractor, the technical proposal must include the identification of the functions to be provided by the subcontractor and the subcontractor's related qualifications and experience.

The combined qualifications and experience of the Respondent and any or all subcontractors will be considered in the State's evaluation. The Respondent must furnish information to the State as to the amount of the subcontract, the qualifications of the subcontractor for guaranteeing performance, and any other data that may be required by the State. The Respondent must list any subcontractor's name; address and the state in which formed that are proposed to be used in providing the required products or services. The subcontractor's responsibilities under the proposal, anticipated dollar amount for subcontract, the subcontractor's form of organization, and an indication from the subcontractor of a willingness to carry out these responsibilities are to be included for each subcontractor. This assurance in no way relieves the Respondent of any responsibilities in responding to this RFS or in completing the commitments documented in the proposal. The Respondent must indicate which, if any, subcontractors qualify as a Minority or Women Owned Business under IC 4-13-16.5-1. See Section 1.21 and Attachment A for Minority and Women Business information.

The same outline numbers must be used in the response. RFS language should not be repeated within the response. Where appropriate, supporting documentation may be referenced by a page and paragraph number. However, when this is done, the body of the technical proposal must contain a meaningful summary of the referenced material. The referenced document must be included as an appendix to the technical proposal with referenced sections clearly marked. If there are multiple references or multiple documents, these must be listed and organized for ease of use by the State.

(See Attachment D)

2.5 COST PROPOSAL

Respondents must provide a detailed cost proposal. The cost proposal must follow the above requested work plan and project timeline. Detail the cost of each deliverable task. Respondent should list all the different positions of resources proposed (senior auditor, etc.) Each different resource position should appear on a line by itself. If supervisory and Management positions are included, the resource should be listed separately, not in the category supervised. The contract will be reimbursed on a Time and Materials basis not to exceed the maximum value. The Contractor must submit a detailed budget using hourly rates as well. 2.6 INDIANA ECONOMIC IMPACT

All companies desiring to do business with state agencies must complete an “Indiana Economic Impact” form (Attachment C). The collection and recognition of the information collected with the Indiana Economic Impact form places a strong emphasis on the economic impact a project will have on Indiana and its residents regardless of where a business is located. The collection of this information does not restrict any company or firm from doing business with the state.

2.7 BUY INDIANA INITIATIVE/INDIANA COMPANY

It is the Respondent’s responsibility to confirm its Buy Indiana status for this portion of the process. If a Respondent has previously registered its business with IDOA, go to www.BuyIndiana.IN.gov and click on the link to update this registration. Click the tab titled Buy Indiana. Select the appropriate category for your business. Respondents may only select one category. Certify this selection by clicking the check box next to the certification paragraph. Once this is complete, save your selection and exit your account. Respondents that have not previously registered with IDOA must go to www.BuyIndiana.IN.gov and click on the link to register. During the registration process, follow the steps outlined in the paragraph above to certify your business’ status. The registration process should be complete at the time of proposal submission.

Defining an Indiana Business:

“Indiana business” refers to any of the following:

- (1) A business whose principal place of business is located in Indiana.
- (2) A business that pays a majority of its payroll (in dollar volume) to residents of Indiana.
- (3) A business that employs Indiana residents as a majority of its employees.

Respondents claiming this status must indicate which of the provisions above qualifies them as an Indiana business. They must also fully complete the Indiana Economic Impact Form (Attachment C) and include it with their response.

The following is the policy concerning items 4 & 5 described below. Appropriate documentation must be provided with your proposal response supporting either claim made below:

- (5) A business that has a substantial positive economic impact on Indiana.

Substantial Capital Investment:

Any company that can demonstrate a minimum capital investment of \$5 million or more in plant and/or equipment or annual lease payments of \$2.5 million or more shall qualify as an Indiana business under category #4. If an out of state company does not meet one of these criteria, it can submit documentation/justification to the State for review for inclusion under this category.

Substantial Indiana Economic Impact:

Any company that is in the top 500 companies (adjusted) for one of the following categories: number of employees (DWD), unemployment taxes (DWD), sales tax (DOR), payroll withholding taxes (DOR), or Corporate Income Taxes (DOR); it shall qualify as an Indiana business under category #5. If a Respondent needs assistance in determining if its business qualifies under this criterion, please send an email inquiry to buyindianainvest@idoa.in.gov and you will receive a response within forty-eight (48) hours. If an out of state company does not meet one of these criteria, it can submit documentation/justification to the State for review for inclusion under this category.

Pursuant to IC 5-22-15-7, Respondents may claim only one preference. For the purposes of this RFS, this limitation to claiming one preference applies to Respondents' ability to claim the recycled content preference, Indiana small business preference, or to claim eligibility for the Buy Indiana points.

Subgroups of this team, consisting of one or more team members, will be responsible for evaluating proposals with regard to compliance with RFS requirements. All evaluation personnel will use the evaluation criteria stated in Section 3.2. The Commissioner of

IDOA or his designee will, in the exercise of his sole discretion, determine which proposals offer the best means of servicing the interests of the State. The exercise of this discretion will be final.

The procedure for evaluating the proposals against the evaluation criteria will be as follows:

- 3.1.1 Each proposal will be evaluated for adherence to requirements on a pass/fail basis. Proposals that are incomplete or otherwise do not conform to proposal submission requirements may be eliminated from consideration.
- 3.1.2 Each proposal will be evaluated on the basis of the categories included in Section 3.2. A point score has been established for each category.
- 3.1.3 If technical proposals are close to equal, greater weight may be given to price.
- 3.1.4 Based on the results of this evaluation, the qualifying proposal determined to be the most advantageous to the State, taking into account all of the evaluation factors, may be selected by IDOA and FSSA/OMPP for further action, such as contract negotiations. If, however, IDOA and FSSA/OMPP decide that no proposal is sufficiently advantageous to the State, the State may take whatever further action is deemed necessary to fulfill its needs. If, for any reason, a proposal is selected and it is not possible to consummate a contract with the Respondent, IDOA may begin contract preparation with the next qualified Respondent or determine that no such alternate proposal exists.

3.2 EVALUATION CRITERIA

Proposals will be evaluated based upon the proven ability of the Respondent to satisfy the requirements of the RFS in a cost-effective manner. Each of the evaluation criteria categories is described below with a brief explanation of the basis for evaluation in that category. The points associated with each category are indicated following the category name (total maximum points = 100). If any one or more of the listed criteria on which the responses to this RFS will be evaluated are found to be inconsistent or incompatible with applicable federal laws, regulations or policies, the specific criterion or criteria will be disregarded and the responses will be evaluated and scored without taking into account such criterion or criteria.

Summary of Evaluation Criteria:

Criteria	Points
1. Adherence to Mandatory Requirements	Pass/Fail

2. Management Assessment/Quality (Business and Technical Proposal)	35 points
3. Cost (Cost Proposal)	20 Points
4. Indiana Economic Impact	15
5. Buy Indiana	10
6. Minority (10) and Women Business (10) Subcontractor Commitment	20
Total	100

All proposals will be evaluated using the following approach.

Step 1

In this step proposals will be evaluated only against Criteria 1 to ensure that they adhere to Mandatory Requirements. Any proposals not meeting the Mandatory Requirements will be disqualified.

Step 2

Top contenders in the Management Assessment/Quality and Price categories should be moved to Step 3. Agency must communicate with RFS analyst on who progresses through the stages (communication via e-mail to RFS analyst is appropriate) so that they are in the loop and can have some (internal) discussions if there seems to be an inappropriate application of the phased scoring. There is no numerical criteria. It should be those reasonable susceptible for award as shown in their points. If agency does NOT want a respondent to move to Phase 3 but their scores show that they should (or vice versa) discussion with IDOA and RFS analyst must be held.

The proposals that meet the Mandatory Requirement will then be scored based on Criteria 2 and 3 ONLY. This scoring will have a maximum possible score of 55 points. All proposals will be ranked on the basis of their combined scores for Criteria 2 and 3 ONLY. This ranking will be used to create a “short list”. Any proposal not making the “short list” will not be considered for any further evaluation.

Step 2 may include one or more rounds of proposal discussions focused on cost and other proposal elements.

Step 3

The short-listed proposals will then be evaluated based on all the entire evaluation criteria outlined in the table above.

If the State conducts additional rounds of discussions and a BAFO round which lead to changes in either the technical or cost proposal for the short listed Respondents, their scores will be recomputed.

The section below describes the different evaluation criteria.

3.2.1 Adherence to Requirements – Pass/Fail

Respondent's passing this category move to Phase 2 and proposal is evaluated for Management Assessment/Quality and Price.

The following 2 categories can not exceed 55 points.

3.2.2 Management Assessment/Quality - 35 points

3.2.3 Price – 20 points

3.2.4 Indiana Economic Impact (15 points)

See Section 2.6 for additional information.

The total number of full time equivalent (FTE – please see Section 1.2 for a definition of FTE's) Indiana resident employees for the Respondent's proposal (prime contractor and subcontractors) will be used to evaluate the Respondent's Indiana Economic Impact. Points will be awarded based on a graduated scale. The Respondent with the most Indiana FTEs will be awarded 15 points. Points will then be awarded to the remaining Respondents proportionately.

3.2.5 Buy Indiana Initiative – 10 points

Respondents qualifying as an Indiana Company as defined in Section 2.7 will receive 10 points in this category.

3.2.6 Minority (10 points) & Women's Business (10 points) Subcontractor Commitment - (20 points).

The following formula will be used to determine points to be awarded: The commitment factor for each proposal will be calculated by multiplying the commitment percentage by one hundred. The RFS score ratio will be determined by dividing the maximum allowable points by the highest commitment factor. The proposal with the highest commitment factor will be given the maximum allowable points. The points awarded to the other proposals will be calculated by multiplying the score ratio by the proposed commitment factor.

Commitment percentage * 100 = commitment factor

Maximum allowable points/highest commitment factor = score ratio

Commitment factor * score ratio = points awarded

The Commissioner of IDOA or his designee will, in the exercise of his sole discretion, determine which proposal(s) offer the best means of servicing the interests of the State. The exercise of this discretion will be final.
